

To all Members.

At the September 2024 Committee Meeting it was decided that effective 1 January 2025 we would become a cashless club.

Payments for all club activities including Membership, purchase of game day vouchers, shirts or badges need to be made via bank transfer or Credit Card. Game day subs are to be made by redeeming purchased vouchers.

Over recent weeks there has been an increased number of game day subs paid with cash.

If payment via bank transfer or credit card is not possible by a member please speak to me personally and we can work out a resolution.

If you are on registration and someone wants to pay by cash, please ask them not to put cash into the box and to see me at the conclusion of the game.

I greatly appreciate members efforts since the initial advice was sent out. It has saved me the time of finding a bank where I can deposit the cash and spending wasteful time in queuing up to deposit the funds.

Thanks to you all.

Vaughan Thomson
Treasurer
